

May 2011

Dear Neighbors,

Happy Spring! The end of the school year is always a very busy time at Bertschi School and we would like to share some highlights with you.

This month we are celebrating our 35th Anniversary on Friday, May 20th from 5:30-7:30 p.m. with potato sack races, art activities, a scavenger hunt and more. Our annual event, the Spring Arts Showcase is scheduled for Thursday, June 2nd from 7:00-9:00 p.m. We have arranged for parking at Seattle Prep for both events.

Our Summer Exploration Program begins Monday, June 27th and runs for five weeks, wrapping up the week of Monday, July 25th. We have many fun activities planned for the children to keep them engaged and active. Directly following the summer program, we are offering a Sustainable Design Seminar to a small group of high school students in our Living Building Science Wing. This program will run for one week, from Monday, August 1st through Friday, August 5th.

As always, we work with our parents to be mindful of our dense neighborhood and ensure parents don't block driveways. However, if this would be the case, please contact us with your name and address at 206-324-5476.

Sincerely,

Brigitte Bertschi
